SPORTS REPORT

This week saw the start of **soccer season**. The teams played against Rosebank Primary School, and had a challenging time. I feel with more training and commitment, we can pick up our fitness levels. Let us try harder next time boys. Because of the holidays on Monday and Tuesday practices **MAY** be arranged for next week; however cup matches may have to be played next week, too. Details will be announced to the respective players.

The **girl's first soccer match** is next week Friday. We wish you girls the best of luck. **Reminder about practice this Friday.**

Netball training is underway with the first match today (Weather permitting). Let us have a great season girls.

Tennis continues with practices and depending on how many players show at practice we will play school championships at a later stage

Respect for self, respect for others, respect for environment

12/10

22/04/2010

The following is wisdom we could all take to heart in this day and age...

INNER STRENGTH

*If you can start the day without caffeine or pep pills,
If you can be cheerful, ignoring aches and pains,
If you can resist complaining, and boring people with your troubles,
If you can eat the same food everyday you and be grateful for it,
If you can understand when loved ones are too
busy to give you time,
If you can overlook when people take things out on you when,
through no fault of yours, something goes wrong,
If you can take criticism and blame without resentment,
If you can face the world without lies and deceit,*

*If you can conquer tension without medical help,
If you can relax without liquor,
If you can sleep without the aid of drugs,
If you can do all these things,
Then you are probably the family dog!*

IS IT A DOG'S LIFE?
