### **THANK YOU**

Thank you all those parents who responded so positively to the newsletter last week. What a difference it makes to come to school without the bombardment of negative feedback which has been like a corrosive agent in the weeks past. It has definitely been a much better week and the atmosphere has once again returned to that which we have become accustomed to. **THANK YOU**

### **ASTROLOGY EVENING**

Thank you to the FAB committee who worked so hard in organizing yet another astrology evening which turned out to be a great educational experience. The evening started off with a number of families pitching their tents for the night. The children took the special person in their life to the crafts table where they were able to spend some special time making something to remember the evening by.

Photographs were also taken and will be delivered this week. Families then sat down to enjoy the company of friends, good music and a close view of the stars. When friends left, our happy campers spent the night out in their tents before packing up when the sun came out. It was a great success and enjoyed by all who attended this event. **To the organizers we say THANK YOU**

### **HELP MAKE FAIRWAYS A SCHOOL OF EXCELLENT READERS!**

### **Lost Property**

Thank you to Mrs Hill, Mrs Monamodi and Mrs Lewis for their efforts in the clothes cupboard. **LARGE** quantities of lost property descend upon them each week of so called "Stolen" items.

### **REQUEST FROM STAFF**

Parents please arrange your holiday and trips during our planned holiday as set out by the Government each year. The teachers are experiencing ongoing problems with children who are not being assessed as they should be and who are battling to keep up with the content taught.

We also have a number of children who are absent from school on an ongoing basis and are not catching up the work they have missed. Furthermore, children who arrive late to school and are fetched early are also experiencing great difficulty catching up the work.

As teachers, we work hard to ensure that all children have a good foundation on which to build before moving up to the next grade and we find these ongoing interruptions most disconcerting. Please assist us in this regard, ensuring that your child arrives at school on time and fetching them at the end of the school day unless they are contacted by the school for specific reasons.

### **CLOSING TIME FOR BREAK UP DAY**

Fairways Primary School closes on Wednesday the 9<sup>th</sup> June at 12:00. Please ensure that your children are fetched timeously on this day. **THERE WON'T BE AFTER CARE ON BREAK UP DAY**

### **WARNING**

Parents are requested to ensure that their children are suitably occupied during the coming holiday. It remains the responsibility of the parent to ensure the safety of children.

- Know who they will be spending their day with.
- Organize supervised playgroups on a rotation basis during the week.
- Fetch children on time after organized activities.

### **SCHOOL FEE ACCOUNTS**

All school fee accounts have been emailed to parents that have provided the school with email addresses. Mrs C Jacobson will also be giving the accounts to the children to take home on Friday. Please ensure that all school fee payments are up to date before school closes on the 9 June 2010.

### **CHESS NEWS**

*Fairways had another good win yesterday by 14 points to 2 against Glenhazel. Almost every one won both their games. A highlight was Tyriek winning a friendly match against the Glenhazel teacher. If we can beat Saxonwold on Monday(our arch nemesis last year - they beat us narrowly, twice!) then we should come second in our section behind the very strong Torah Academy.
