NEWSLETTER 19 1 June 2018

A Message from Mrs Jansen Van Rensburg, our Social Worker:

"Kids deserve an excited adult. They need someone who’s ready to explore and laugh with them all day—someone who’s looking for those magic moments, full of high fives coming down the line, with energy radiating all round. Our kids have far more issues to deal with than many of us realize. School is their safety net, their safe place. They want and need us, to come home every day, ready to surround them with love, encouragement and hope.

Leave your problems in the car. Take a deep breath and focus on the positive. Find Hope. Kids need the best you. Step out and be your best every single day.

Be awesome! The kids deserve it! “
