Today You Can

Today you can choose to count your blessings
or you can count your troubles.
Today you can live each moment
or you can put in time.

Today you can take action towards your goals
or you can procrastinate.
Today you can plan for the future
or you can regret the past.

Today you can learn one new thing
or you can stay the same.
Today you can seek possibilities
or you can overwhelm yourself with the impossible.

Today you can continue to move forward
or you can quit.
Today you can take steps towards resolving your challenges
or you can procrastinate.

You see, today the choices are up to you
in deciding what you do today.
